About This Game

Follow Gabrielle, an enterprising journalist who stumbles on the story of her lifetime when she smells murderous intent behind what everyone assumes was a suicide. As Gabrielle delves deeper into the mystery, participating in scientific experiments that allow her to enter the minds of other people to search for clues, she will uncover a shocking secret about her past. Featuring a unique scrolling perspective, Mind's Eye offers an unforgettable journey into the subconscious!

Key features:

•20 locations
•10 mini-games
•Unique scrolling perspective
•Disturbing imagery
•Intuitive gameplay
